

We're hiring a

Kitchen Team Member

We're looking for someone to support our amazing kitchen team.

Working alongside Tom, our Head Chef, and Penny, our Baker, helping to prepare, cook and serve delicious homemade food and glorious cakes in our beautiful woodland tearoom. You'll also help keep our kitchen clean and well organised.

This is a part time role between 2 to 4 days a week but you must be able to work at least one day at the weekend. Working hours will be between 8.30am and 6.30pm. Initially a fixed contract until 30th September 2026, however, it is highly likely to be extended.

Ideally, you'll already have experience but the position may also suit someone recently out of catering college looking to develop themselves. You'll be reliable, able to work calm under pressure and committed to maintaining our high standards. In return we offer great working hours, supportive management, complimentary food/drinks whilst at work, discount when visiting and the opportunity to work in a successful, caring, family run business set in one of the most beautiful parts of Staffordshire.

Send CV's to SLT@ramblersretreat.co.uk

Closing date - 5 th April 2026
